EDUCATION

University of Illinois at Urbana-Champaign

May 2027

Bachelor of Science in Computer Engineering

Metea Valley High School | Aurora, Illinois

May 2023

Summa Cum Laude graduate

GPA 4.00/4.00

WORK EXPERIENCE

Dunkin Donuts Crew Member

May – August 2022, 2024

- Provided exceptional customer service through efficient use of time management and delegation
- Managed high-pressure situations during busy periods, ensuring smooth operations and service
- Collaborated with fellow employees to maintain a clean and organized work environment

LEADERSHIP & ACTIVITIES

Personal Projects

Headstarter SWE Fellowship

July 2024 – September 2024

- Develop projects such as an inventory management system, AI chat bot, and AI-driven applications, utilizing JS, React, Next, Node.js, Firestore, and cloud services like Vercel and AWS.
- Participate in weekly AI-run mock coding interviews to enhance technical skills and prepare for real-world coding challenges.
- Create an app, service, or product with goals to secure \$1000 in funding, acquire 1000 users, or achieve a waitlist of 1000 people as part of a culminating final project.

University of Illinois at Urbana-Champaign

Center for Academic Resources in Engineering (CARE) Tutor

August 2024 – December 2024

- Will provide academic support and guidance to engineering students for STEM courses, building for them a strong understanding of course material and improving problem-solving skills
- Will assist students in developing effective study strategies and time management techniques to navigate the fast-paced engineering curriculum and maintain academic performance
- Will contribute to the C.A.R.E. program's mission by participating in drop-in tutoring sessions and offering personalized, step-by-step support to address individual student needs

Illini Solar Car

August 2023 – Present

- Developed and improved a solar-powered car for the 2024 American Solar Challenge
- Aided in the design, assembly, and testing of circuit boards to refine telemetry functions

Sigma Phi Epsilon, Illinois Alpha Chapter

August 2023 – Present

Re-Founding Father, Recruitment Team Member

- Expanded fraternity membership by actively participating in the recruitment team, contributing to a 20% increase in new members, showcasing effective interpersonal and communication skills
- Spearheaded community events, enhancing the fraternity's campus visibility and fostering community engagement to create impactful experiences for both members and other students
- Contributed to an increase in individual and collective skill development, through chapter meetings and workshops, emphasizing a commitment to personal and professional growth.
